

## History

The Chuy's Children Giving to Children Parade was the inspiration of Chuy's co-founders Mike Young and John Zapp. In 1987, Chuy's & KLBJ-FM started an annual toy drive held at the two Chuy's locations in Austin to benefit the Operation Blue Santa Program. Two years later, they decided it was time to raise awareness for the Toy Drive and collect more toys by putting on a Parade.

In 1989, a couple of weeks before Christmas, Chuy's volunteers canvassed the downtown area, passing out flyers asking everyone to bring a toy to work with them on a specified day and the Parade would come along, pick up their toy and deliver it to Blue Santa Headquarters. The following Thursday, Chuy's friends and employees on bicycles, along with Grand Marshal Joe Sears of Greater Tuna; Marcia Ball on the back of a flatbed truck; a fire truck; and a giant three-man Santa Claus paraded up and down Congress Avenue, stopping to pick up toys along the way. That year, the Parade and the next day's Toy Drive at Chuy's with KLBJ-FM raised over 8,500 toys for Blue Santa. This was nearly triple the previous year's amount!

2019 will mark the 31<sup>st</sup> Annual Chuy's Children Giving to Children Parade. The parade continues to grow in attendance, with crowds of 50-75,000 people and to date, we have raised over a quarter million toys for children in the Austin area. It's an event complete with giant inflatable balloons, festive holiday floats, spectacular marching bands and Santa. An event that brings a smile to the child who gives and to the child who otherwise might not see anything under the tree on Christmas morning.

## About Blue Santa

Since 1972, Operation Blue Santa has helped tens of thousands of families in need. Operation Blue Santa is a charitable outreach program of the Austin Police Department that began when two patrol officers realized that some families on the patrol beat would not have gifts or food for their children at Christmas. What began with gift distributions to 20 families from the back of a patrol car has become a massive effort in partnership with the Austin Community, the Texas National Guard, the Austin Fire Department, Austin Energy, Austin Water and Austin-Travis County EMS. In 2018, Operation Blue Santa served more than 5,000 families, with 20,000 children in those families receiving gifts. The community is

generous in their support, contributing to many events – including the Chuy's Parade – where all the toys collected are donated to Operation Blue Santa.
